**PART II**  
**BOXTIME 2004 Standard Time Charter Party for Container Vessels**

It is agreed on the date shown in Box 2 between the party named in Box 3 as the Owners of the Vessel named in Box 5 and the party named in Box 4 as the Charterers as follows:	1	in Box 16 provided that the Charterers have supplied a list of such countries during negotiations.	66
	2		67
	3		
<b>1. Period of Charter Party and Delivery</b>	4	<b>4. Cargo Restrictions and Exclusions</b>	68
<b>(a) Period:</b> In consideration of the hire detailed in Box 21 the Owners let and the Charterers hire the Vessel for the period together with any optional extension(s) thereto as indicated in Box 19. Such options, always at the Charterers' discretion, must be declared to the Owners within the period as indicated in Box 20.	5	Except as provided below, the Vessel shall be used exclusively for the carriage of goods in containers complying with the International Convention for Safe Containers and in accordance with the Vessel's configuration.	69
<b>(b) Delivery Place:</b> The Owners shall deliver the Vessel to the Charterers at the Place of Delivery as indicated in Box 11. If the Owners are unable to deliver the Vessel at the Place of Delivery as indicated in Box 11 for any reason beyond the control of the Owners, delivery shall take place at the nearest point to the nominated Place of Delivery to which the Vessel may safely and reasonably proceed. The Owners shall give written notice of readiness to deliver to the Charterers and/or the Charterers' local agents when in position to come on hire.	6	<b>(a) Uncontainerised Goods:</b> Uncontainerised goods may be carried only with the prior written consent of the Owners and the Master.	70
<b>(c) Delivery Time:</b> Unless otherwise agreed by the Charterers, delivery shall take place no earlier than the time/date stated in Box 12 and no later than the time/date stated in Box 13. Delivery shall be effected at any time, day or night, Saturdays, Sundays and holidays included. Should the Vessel not be delivered by the date/time stated in Box 13 the Charterers shall have the option to cancel this Charter Party without prejudice to any claims the Charterers may otherwise have on the Owners under this Charter Party. If the Owners anticipate that the Vessel will not be ready for delivery by the date/time stated in Box 13, they may notify the Charterers in writing, stating the anticipated new date of readiness for delivery, proposing a new cancelling date/time and requiring the Charterers to declare whether they will cancel or will take delivery of the Vessel. Should the Charterers elect not to cancel or should they fail to reply within two (2) working days (as applying at the Charterers' place of business as indicated in Box 4) of receipt of such notification, then unless otherwise agreed, the proposed new cancelling date/time will replace the date/time stated in Box 13.	7	<b>(b) Excluded Cargoes:</b> Without prejudice to the generality of the foregoing, the following cargoes shall be excluded: livestock, arms, ammunition, explosives, chemical and toxic waste, nuclear and radioactive material other than radioactive isotopes as described in sub-clause (d) of this clause and any other cargoes enumerated in Box 17.	71
<b>(d) Vessel's Condition:</b> At the time of delivery the Vessel shall be clean and in all respects fit to receive containers and goods contained therein, failing which the Vessel shall be off hire from the time of rejection until she is deemed ready.	8	<b>(c) Hazardous Goods:</b> The Owners agree that the Charterers may carry the maximum quantity as indicated in Box 18 of hazardous goods in containers, provided same are loaded, stowed, discharged and documented in accordance with the Vessel's document of compliance, IMO regulations, any mandatory local requirements and regulations of the flag state.	72
<b>(e) Charterers' Acceptance:</b> Acceptance of delivery of the Vessel shall not prejudice the Charterers' rights against the Owners under this Charter Party.	9	<b>(d) Radioactive Goods:</b> Radioactive goods other than isotopes shall be excluded. Radioactive isotopes may be carried only with the prior written consent of the Owners and the Master and provided that they are of such a category as not to invalidate the Vessel's P&I and/or Hull and Machinery cover.	73

<p><b>(f) Anti-Drug Clause:</b> 803  The Charterers warrant to exercise the highest degree 804  of care and diligence in preventing unmanifested 805  narcotic drugs and/or any other illegal substances being 806  loaded or concealed on board the Vessel. 807  Non-compliance with the provisions of this Clause shall 808  amount to breach of warranty for the consequences 809  of which the Charterers shall be liable and shall hold 810  the Owners, the Master and the crew of the Vessel 811  harmless and shall keep them indemnified against all 812  claims whatsoever which may arise and be made 813  against them individually or jointly. Furthermore, all 814  time lost and all expenses incurred, including fines, 815  as a result of the Charterers' breach of the provisions 816  of this Clause shall be for the Charterers' account and 817  the Vessel shall remain on hire. 818  Should the Vessel be arrested as a result of the 819  Charterers' non-compliance with the provisions of this 820  Clause, the Charterers shall at their expense take all 821  reasonable steps to secure that within a reasonable 822  time the Vessel is released and at their expense post 823  bail to secure release of the Vessel. 824  The Owners shall remain responsible for all time lost 825  and all expenses incurred, including fines, in the event 826  that unmanifested narcotic drugs and other illegal 827  substances are found in the possession or effects of 828  the Vessel's personnel. 829</p> <p><b>(g) BIMCO Double Banking Clause:</b> 830</p> <p>(i) The Charterers shall have the right, where and 831  when it is customary and safe for vessels of 832  similar size and type to do so, to order the Vessel 833  to go, lie or remain alongside another vessel or 834  vessels of any size or description whatsoever or 835  to order such vessels to come and remain 836  alongside at such safe dock, wharf, anchorage 837  or other place for transhipment, loading or 838  discharging of cargo and/or bunkering. 839</p> <p>(ii) The Charterers shall pay for and provide such 840  assistance and equipment as may be required to 841  enable any of the operations mentioned in this 842  Clause 16(g) safely to be completed and shall give 843  the Owners such advance notice as they reasonably 844  can of the details of any such operations. 845</p> <p>(iii) Without prejudice to the generality of the 846  Charterers' rights under Clauses 16 (g)(i) and (ii), 847  it is expressly agreed that the Master shall have 848  the right to refuse to allow the Vessel to perform 849  as provided in Clauses 16 (g)(i) and (ii) if in his 850  reasonable opinion it is not safe so to do. 851</p> <p>(iv) The Owners shall be entitled to insure any 852  deductible under the Vessel's hull policy and the 853  Charterers shall reimburse the Owners any 854  additional premium(s) required by the Vessel's 855  Underwriters and/or the cost of insuring any 856  deductible under the Vessel's hull policy. 857</p> <p>(v) The Charterers shall further indemnify the Owners 858  for any costs, damage and liabilities resulting from 859  such operation. The Vessel shall remain on hire 860  for any time lost including periods for repairs as 861  a result of such operation. 862</p> <p><b>(h) Damage to Vessel/Equipment:</b> 863</p> <p>(i) Notwithstanding anything contained herein to the 864  contrary, when caused by the stevedores, the 865  Charterers shall be liable for 866  (A) any and all damage to the Vessel, and; 867  (B) any replacement cost for the Vessel's lost or 868  damaged lashing and securing equipment, 869  provided the Master has notified the Charterers 870</p>	<p>or their agents, in writing, within 24 hours of the 871  occurrence or as soon as possible thereafter but 872  latest when the damage could have been 873  discovered by the exercise of due diligence. The 874  Master shall use his best efforts to obtain written 875  acknowledgement by the party or parties causing 876  damage unless the damage has been made good 877  in the meantime. The Charterers shall pay for 878  stevedore damage whether or not payment has 879  been made by stevedores to the Charterers. 880  If a lumpsum has been agreed and stated in Box 881  29 in respect of any replacement cost for the 882  Vessel's lost or damaged lashing or securing 883  equipment, the Owners are not required to notify 884  the Charterers for such lost or damaged lashing 885  or securing equipment. 886</p> <p>(ii) Damage for which the Charterers are responsible 887  affecting the Vessel's seaworthiness and/or the 888  safety of the crew and other persons on board 889  and/or the proper working of the Vessel and/or 890  her equipment, shall be repaired by the Owners 891  without delay after each occurrence in the 892  Charterers' time and shall be paid for by the 893  Charterers upon receipt of the Owners' invoice. 894</p> <p>(iii) Damage for which the Charterers are responsible 895  neither affecting the Vessel's seaworthiness, nor 896  the safety of the crew or other persons on board, 897  nor the proper working of the Vessel, nor her 898  equipment, shall be repaired by the Owners, 899  before or after redelivery, at the Charterers' option, 900  concurrently with Owners' work. No hire will be 901  paid to the Owners except in so far as the time 902  required for the repairs for which the Charterers 903  are liable exceeds the time necessary to carry 904  out the Owners' work. 905</p> <p><b>(i) BIMCO ISPS Clause for Time Charter Parties:</b> 906</p> <p>(i) (A) In accordance with the International Code for 907  the Security of Ships and of Port Facilities and 908  the relevant amendments to Chapter XI of SOLAS 909  (ISPS Code) in relation to the Vessel, the Owners 910  shall procure that both the Vessel and "the 911  Company" (as defined by the ISPS Code) shall 912  comply with the requirements of the ISPS Code 913  relating to the Vessel and "the Company". Upon 914  request the Owners shall provide a copy of the 915  relevant International Ship Security Certificate (or 916  the Interim International Ship Security Certificate) 917  to the Charterers. The Owners shall provide the 918  Charterers with the full style contact details of the 919  Company Security Officer (CSO). 920  (B) Except as otherwise provided in this Charter 921  Party, loss, damage, expense or delay, excluding 922  consequential loss, caused by failure on the part 923  of the Owners or "the Company" to comply with 924  the requirements of the ISPS Code or this Clause 925  shall be for the Owners' account. 926</p> <p>(ii) (A) The Charterers shall provide the CSO and the 927  Ship Security Officer (SSO)/Master with their full 928  style contact details and, where sub-letting is 929  permitted under the terms of this Charter Party, 930  shall ensure that the contact details of all sub- 931  charterers are likewise provided to the CSO and 932  the SSO/Master. 18 shall apply to preclude any claim made by the owners of any property on board the Vessel for general average contribution in accordance with the York-Antwerp Rules 1994.

**(f) Claims Authority:** The Charterers shall make no payment in excess of the amount stated in Box 28 in settlement of a claim for which they intend to seek recovery from the Owners without prior consultation with the Owners.

The Owners authorise the Charterers to grant extensions of time in respect of such claims provided the Charterers give the Owners immediate notice thereof.

**(g) Personal Injury:** The Charterers shall indemnify the Owners against any claims incurred by the Owners with respect to death or personal injury of crew members whilst carrying out repair works in accordance with Clause 20. The Charterers shall further indemnify the Owners against any claims for death or personal injury made by the Charterers' servants, agents or sub-contractors, unless and to the extent that such claims are caused or contributed to by the negligence of the crew.

**19. Owners' Responsibilities/Liabilities**

**(a) Containers and Goods:** The Owners shall be liable for loss, damage or expense in respect of containers and goods arising or resulting from:

- (i) their failure to exercise due diligence before and at the commencement of the voyage to make the Vessel seaworthy and to properly man, equip and supply her and make all parts of the Vessel in which containers and goods are carried fit and safe for their reception, carriage and preservation, unless the Charterers order containers or goods to be loaded in parts of the Vessel which the Master considers to be unfit, in which case the Charterers shall indemnify the Owners and hold them harmless;
- (ii) their failure to exercise due diligence to properly and carefully carry, keep and care for the containers and goods while on board the Vessel;
- (iii) unreasonable deviation from the voyage ordered or approved by the Charterers;
- (iv) defective lashing equipment supplied by the Owners or improper lashing pattern design;
- (v) their failure to exercise due diligence to ensure that at the commencement of the voyage the lashings are executed correctly and serviced during the voyage;
- (vi) their failure to exercise due diligence to maintain in good working order the lashings and securing equipment.

**(b) Charterers' Cargo:** If the cargo is the property of the Charterers, the Owners shall have the same responsibilities and benefits as they would have had under this Clause had the cargo been the property of a third party and carried under a bill of lading incorporating the Hague-Visby Rules.

**(c) Personal Injury:** Except as provided for in Clause 18(g) and unless caused or contributed to by the negligence of the Charterers, their servants, agents or sub-contractors or any defect in the Charterers' containers and/or goods and/or gear and/or equipment, the Owners shall indemnify the Charterers against any claims for death or personal injury having a direct connection with the operation of the Vessel.

**(d) Limitation of Liability:** Subject always to the Owners' right to limit liability under the applicable

limitation convention, the liability of the Owners to the Charterers for loss, damage or expense in respect of goods and containers as herein provided shall be limited as follows:

(i) In respect of goods liability shall be limited to SDR666.67 per package or unit or SDR2.00 per kilo of gross weight of the goods lost or damaged, whichever is the higher.

(ii) In respect of containers, liability shall be the reasonable cost of repair or the value of the container at the time of such loss or damage, whichever is the lesser. The value of a leased container is the value stated in the lease agreement and for an owned container it is its market value. For the purpose of this Charter Party containers not owned or leased by the Charterers shall be regarded as goods for liability purposes.

**(e) Cargo Claim and Time Bar Definition -** For the purpose of this Clause 19(e), "Cargo Claim" means a claim for loss, damage, shortage (including slackage, ullage or pilferage), overcarriage of or delay to cargo including customs fines or fines in respect of such loss, damage, shortage, overcarriage or delay and includes:

- (i) any legal costs or interest claimed by the original claimant making such a claim;
- (ii) all legal, Club correspondents' and experts' costs reasonably incurred in the defence of or in the settlement of the claim made by the original claimant, but shall not include any costs of whatsoever nature incurred in making a claim or in seeking an indemnity under this Charter Party.

In respect of any Cargo Claims as between the Owners and the Charterers, brought under this sub-clause 19(e), unless extensions of time have been sought or obtained from one party by the other or notice of arbitration has been given by either party, such claim(s) shall be deemed to be waived and absolutely time barred upon the expiry of two years reckoned from the date when the cargo was or should have been delivered. When the Hamburg Rules apply compulsorily the above time bar shall be extended to three years.

**(f) Limitation Proceedings:** The Owners shall control and conduct any limitation proceedings on the joint behalf of the Owners and the Charterers. If successful, any unrecovered costs of such proceedings shall be borne equally between the Owners and the Charterers. If unsuccessful, the costs shall be borne by the party responsible under the terms of this Charter Party for the factor which caused the proceedings to fail. If more than one factor contributed and the Owners and the Charterers were each responsible for at least one factor the costs shall be borne equally.

**20. Refrigerated Goods**

In respect of integral refrigerated containers or any other container with any machinery for temperature/atmosphere control containing goods, the Owners shall only be responsible for the provision of electrical power (see Clause 11(e)). The Owners shall monitor and record the performance of all such units minimum once daily whilst on board in accordance with the Charterers' instructions and to repair and rectify any breakdown, fault or deficiency which may occur in respect of such units, using the resources on board the Vessel, however always subject to weather conditions. The Charterers shall furnish the Master with separate written instructions as regards the temperature setting of each reefer container and cooling/carriage instructions to be

maintained during the voyage. The Charterers shall 1207  
arrange for reefer repair kit and manuals to be placed 1208  
on board the Vessel which shall include specialised tools 1209  
and spare parts. Such repair kits shall be replenished 1210  
by the Charterers upon the Master's request. 1211  
If repair works are performed by the crew, all additional 1212  
expenses incurred by the Owners, including crew time 1213  
and spare parts not already supplied and paid for by 1214  
Charterers, shall be for the account of the Charterers 1215  
and during the performance of the repair work the crew 1216  
shall be considered as the Charterers' servants. The 1217  
Charterers to pay for such works as stated in Box 30. 1218  
If, however, resources on board are still insufficient, 1219  
the Owners shall immediately notify the Charterers so 1220  
they may take action to obtain any required spares or 1221  
specialised repair facilities. 1222  
Except as provided above, the Owners shall not be liable 1223  
for malfunctioning of integral refrigerated containers and 1224  
power packs put on board by the Charterers. 1225  
The Owners shall be entitled to reject and require the 1226  
Charterers to discharge any container loaded at a 1227  
temperature not within the required carriage temperature 1228  
range. If, at the Charterers' request, the Owners consent 1229  
to receive and carry such container(s), the Charterers 1230  
shall hold the Owners harmless and indemnify them 1231  
against all consequences thereof and the Bills of Lading 1232  
shall be appropriately claused. In respect of blown-air 1233  
containers, the Owners shall be responsible only to 1234  
maintain the supply of air at the required temperature to 1235  
the containers, provided proper instructions are given to 1236  
the Master by the Charterers and the containers are 1237  
presented at the carriage temperatures. 1238

**21. Exceptions** 1239

As between the Owners and the Charterers, 1240  
responsibility for any loss, damage, delay or failure 1241  
of performance under this Charter Party not dealt with 1242  
in Clauses 18 and 19 shall be subject to the following 1243  
mutual exceptions: 1244  
Act of God, act of war, act of terrorism, civil 1245  
commotions, strike, lockouts, restraint of princes and 1246  
rulers, and quarantine restrictions. 1247  
In addition, any responsibility of the Owners not dealt 1248  
with in Clause 19 shall be subject to the following 1249  
exceptions: 1250  
Any act, neglect or default of the Master, pilots or other 1251  
servants of the Owners in the navigation or management 1252  
of the Vessel, fire or explosion not due to the personal 1253  
fault of the Owners or their manager, collision or 1254  
stranding, unforeseeable breakdown of or any latent 1255  
defect in the Vessel's hull, equipment or machinery. 1256  
The above provisions shall in no way affect the 1257  
provisions as to off-hire in this Charter Party. 1258

**22. Navigation** 1259

Nothing herein stated is to be construed as a demise of 1260  
the Vessel to the Charterers. The Owners shall remain 1261  
responsible for the navigation of the Vessel, acts of pilots 1262  
and tug boats, insurance, crew, and all other matters, 1263  
same as when trading for their own account. 1264

**23. Insurances** 1265

**(a) Hull and Machinery:** The Owners shall insure the 1266  
Vessel under Institute Time Clauses or similar clauses 1267  
for INL trading against loss, damage and collision 1268  
liabilities for the insured value as stated in Box 23. Upon 1269  
10 days notice to the Charterers, the Owners shall be 1270  
entitled to effect any reasonable change to the insured 1271

value of the Vessel. The Charterers shall take out 1272  
insurance for Charterers' liability to hull for the insured 1273  
value of the Vessel. The Owners agree that their insured 1274  
value for the purpose of this Clause shall represent the 1275  
Charterers maximum liability to the Owners for damage 1276  
to the Vessel in accordance with Clause 16(h), including 1277  
time spent on repairs. 1278

**(b) Protection and Indemnity (P&I):** The Owners and 1279  
the Charterers shall ensure that the Vessel is fully 1280  
covered with their respective P&I Clubs as indicated in 1281  
Boxes 26 and 27. The Owners and the Charterers shall 1282  
not change P&I Clubs without the prior written consent 1283  
of the other party, which shall not be unreasonably 1284  
withheld. 1285

**(c) War Risks:** Notwithstanding the provisions of 1286  
Clause 25(d)(i), the Owners shall insure the Vessel 1287  
against War Risks and War P&I Risks for INL trading 1288  
areas but excluding any restricted or prohibited areas 1289  
or areas designated as a war zone and irrespective of 1290  
whether or not insurance may be available on payment 1291  
of an additional premium. 1292

**(d) Maintenance of Insurances:** The Owners and 1293  
Charterers warrant that the above insurances will be 1294  
maintained with all calls paid up to date throughout the 1295  
currency of this Charter Party. 1296

**24. BIMCO Ice Clause for Time Charter Parties** 1297

**(a)** The Vessel shall not be obliged to force ice but, 1298  
subject to the Owners' approval having due regard to 1299  
its size, construction and class, may follow ice-breakers. 1300

**(b)** The Vessel shall not be required to enter or remain 1301  
in any icebound port or area, nor any port or area where 1302  
lights, lightships, markers or buoys have been or are 1303  
about to be withdrawn by reason of ice, nor where on 1304  
account of ice there is, in the Master's sole discretion, 1305  
a risk that, in the ordinary course of events, the Vessel 1306  
will not be able safely to enter and remain at the port or 1307  
area or to depart after completion of loading or 1308  
discharging. If, on account of ice, the Master in his sole 1309  
discretion considers it unsafe to proceed to, enter or 1310  
remain at the place of loading or discharging for fear of 1311  
the Vessel being frozen in and/or damaged, he shall be 1312  
at liberty to sail to the nearest ice-free and safe place 1313  
and there await the Charterers' instructions. 1314

**(c)** Any delay or deviation caused by or resulting from 1315  
ice shall be for the Charterers' account and the Vessel 1316  
shall remain on-hire. 1317

**(d)** Any additional premiums and/or calls required by 1318  
the Vessel's underwriters due to the Vessel entering or 1319  
remaining in any icebound port or area, shall be for the 1320  
Charterers' account. 1321

**25. War Risks (CONWARTIME 2004)** 1322

**(a)** For the purpose of this Clause, the words: 1323

(i) "Owners" shall include the shipowners, bareboat 1324  
charterers, disponent owners, managers or other 1325  
operators who are charged with the management 1326  
of the Vessel, and the Master; and 1327

(ii) "War Risks" shall include any actual, threatened 1328  
or reported war, act of war, civil war, hostilities, 1329  
revolution, rebellion, civil commotion, warlike 1330  
operations, laying of mines, acts of piracy, acts of 1331

- of any state whatsoever, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or are likely to be or to become dangerous to the Vessel, her cargo, crew or other persons on board the Vessel. 1338-1342
- (b) The Vessel, unless the written consent of the Owners be first obtained, shall not be ordered to or required to continue to or through, any port, place, area or zone (whether of land or sea), or any waterway or canal, where it appears that the Vessel, her cargo, crew or other persons on board the Vessel, in the reasonable judgement of the Master and/or the Owners, may be, or are likely to be, exposed to War Risks. Should the Vessel be within any such place as aforesaid, which only becomes dangerous, or is likely to be or to become dangerous, after her entry into it, she shall be at liberty to leave it. 1343-1354
- (c) The Vessel shall not be required to load contraband cargo, or to pass through any blockade, whether such blockade be imposed on all vessels, or is imposed selectively in any way whatsoever against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever, or to proceed to an area where she shall be subject, or is likely to be subject to a belligerent's right of search and/or confiscation. 1355-1362
- (d) (i) The Owners may effect war risks insurance in respect of the Hull and Machinery of the Vessel and their other interests (including, but not limited to, loss of earnings and detention, the crew and their Protection and Indemnity Risks), and the premiums and/or calls therefor shall be for their account. 1363-1369
- (ii) If the Underwriters of such insurance should require payment of premiums and/or calls because, pursuant to the Charterers' orders, the Vessel is within, or is due to enter and remain within, or pass through any area or areas which are specified by such Underwriters as being subject to additional premiums because of War Risks, then the actual premiums and/or calls paid shall be reimbursed by the Charterers to the Owners at the same time as the next payment of hire is due, or upon redelivery, whichever occurs first. 1370-1380
- (e) If the Owners become liable under the terms of employment to pay to the crew any bonus or additional wages in respect of sailing into an area which is dangerous in the manner defined by the said terms, then the actual bonus or additional wages paid shall be reimbursed to the Owners by the Charterers at the same time as the next payment of hire is due, or upon redelivery, whichever occurs first. 1381-1388
- (f) The Vessel shall have liberty: 1389
- (i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any other way whatsoever, which are given by the Government of the Nation under whose flag the Vessel sails, or other Government to whose laws the Owners are subject, or any other Government, body or group whatsoever acting with the power to compel compliance with their orders or directions; 1390-1400
- (ii) to comply with the order, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance; 1401-1404
- (iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement; 1406-1412
- (iv) to discharge at any other port any cargo or part thereof which may render the Vessel liable to confiscation as a contraband carrier; 1413-1415
- (v) to call at any other port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment or other sanctions. 1416-1420
- (g) If in accordance with their rights under the foregoing provisions of this Clause, the Owners shall refuse to proceed to the loading or discharging ports, or any one or more of them, they shall immediately inform the Charterers. No cargo shall be discharged at any alternative port without first giving the Charterers notice of the Owners' intention to do so and requesting them to nominate a safe port for such discharge. Failing such nomination by the Charterers within 48 hours of the receipt of such notice and request, the Owners may discharge the cargo at any safe port of their own choice. 1421-1430
- (h) If in compliance with any of the provisions of sub-clauses (b) to (g) of this Clause anything is done or not done, such shall not be deemed a deviation, but shall be considered as due fulfilment of this Charter Party. 1431-1435

The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced. 1437-1447
- The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within 14 calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the 14 days specified. If the other party does not appoint its own arbitrator and give notice that it has done so within the 14 days specified, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both parties as if he had been appointed by agreement. 1448-1463
- Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator. 1464-1466
- In cases where neither the claim nor any counterclaim exceeds the sum of US\$50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced. 1467-1472
